“ Our condolences and deepest sympathies to Al's family. We were high school friends and though we didn't see each other much over the years since, I always enjoyed catching up with Al when it worked out. I'm sad to say the last time was about 3 yrs ago. Always a big smile and able to make one laugh. Prayers. Kurt & Malana

“ I have nothing but fond memories of Al. He was a loyal friend to my father, Jack Sternberg. May he Rest In Peace and I have no doubt my father was there to meet him at the pearly gates.

“ Uncle Albert and family, after the loss of Aunt Kerry Lynn Albert Earls passing came as a huge shock to me. Albert Earl was about 10 years of age when I joined the Army so I spent 20 years away from family missing out on a lot while serving our nation. I do recall playing Frisbee with him and my oldest son at my parents home in rural Velpen. We had a lot of fun that day. He will be sorely missed by all. Blessed are those who mourn, for they shall be comforted. Matthew 5

“ From a cousins childhood of laughs and hedge apple fights to an adult hood of laughs and stories of our lives, I will miss “Albert Earl”. When we meet again, he better have his collection of hedge apples ready, I have gotten better at throwing. My heart is broken. Prayers to his family and friends.

“ I never knew him but if I would have met him on the street there would have not been a doubt to who his dad was, he is a mirror image of his dad, and sounds like he had a personality just like Albert Sr. a lot of fun.

“ I remember the first time (as an adult anyway) I meet Al, we were setting at Hike's (small bar across from JSI in Jasper) we struck up a conversation unbeknownst to us how we may know each other, he said I looked familiar (yeah prob lol I look like my dad and my G'paw) we soon discovered how we were basically family (my grandpa was married to Carrie his grandma) we then talked each other's ear off till they closed sharing stories about my dad and grandpa.. he always told me I was so much like Penny.. I will always cherish those moments and our conversations.. we kept in touch the years that followed.. he offered me words of wisdom and when I was down he offered kind words to lift my spirits.. Al was a kind soul, I will always think of him not only as a friend but a big brother looking out for me.. Al I am gonna miss you and our late night conversations about life and stories of Grandpa.. Rest In Peace my dear friend..
