“ I remember her from school always had a smile on her face if you were crying just her talking would make you stop and smile. Sweetest person I ever meet. So sorry for your praying for all.

“ When looking back as a young boy, I vividly remember Mrs. Whitehead, her beautiful presence, radiant smile. Focused and always present, It was as though she was framed in light... Kind...
I only knew her as Mrs. Whitehead but Grace was indeed a name that reflected her presence.
My deepest condolences to her family, friends and all those touched by her kindness.

“ Such a kind soul. As school nurse, she treated every child as her own. Always took time for each one. Far more than most would give.

“ My kids went to Otwell Elementary & Joann treated them like her own. She was a very sweet lady!

“ Mrs. Whitehead was my beloved grade school nurse at Otwell Elementary, but more than that she became my Sister in Christ as we worshipped and sang in the Choir at the Otwell United Methodist Church. When we started going to church together Mrs. Whitehead told me "My name is Joann, you can call me Joann". I just couldn't get use to that so it was always Mrs. Whitehead.

My love and respect for her goes back to when I was 8 years old and Mrs. Whitehead hugged and comforted this 8 year old child who was trying to deal with the death of her 10 year old sister Wanda Lou Enlow.

There is a seat in Heaven's Choir for you Mrs. Whitehead. You will be missed here on earth, but what joy that you reached Heaven!

“ I feel truly blessed to have known Joan and the whole family my entire life. Joan was like a second mother to me growing up. Our families along with the Anderson clan spent many great times together riding go carts, ice skating, sledding, attending semi state basketball games, performing plays, and hanging out at the church cabin at Kentucky Lake. She will be missed! Hugs and prayers to all the family as you adjust to a new normal.

“ Words just do not seem enough to express what a wonderful person Jo was. She always had a smile and time to talk to all. I will never forget all of the wonderful times our families, the Whiteheads, the Kabricks, and the Andersons, spent together on Kentucky Lake adventures, picnics, times in each others' homes, sled riding, and especially the week between Christmas and New Year's. Those were some of the best times of our lives growing up. Donnie and Jo were like another set of parents to us.

To Donnie, Terri, Mitch, Dave, and the rest of the family, God has accepted an angel today in heaven. Jo truly was a Christian, and her entire life was spent ministering in so many ways. We are never really ready to give up our loved ones, but know they have gone to a better place.

Love and prayers to all of you.

“ I grew up in Otwell and Joann lived down the road from me. She was such a nice person. Later her son Mitch married my cousin Sally, making us family. Our family will certainly miss her. My thoughts and prayers are with each family member, especially Donnie, Dave , Mitch and Terri.
