“ Just heard the sad news today that Jeff had passed. He was such a dear soul! I had the privilege of knowing Jeff when we were coworkers at Ponderosa many years ago when I was in high school. I still can't help but smile when I think back to some of those memories. My favorite being the time I got my "new" car and drove it to work; everyone came out to see it but Jeff shared my enthusiasm the most. :) He reached in and gave the horn a few celebratory honks. I last saw him at the gym a few years back, and--like others mentioned below--he recognized me immediately when I walked in, event though it had been many years since he last saw me!! He made you feel special to be remembered and ALWAYS put a huge, lasting smile on my face. Remembering you fondly, sweet guy!

“ To the Fleck family, Jeff was a great inspiration to all of us. Always willing to help out where needed. He was in my class in grade school and even after years of not seeing him he would always call me by my first name. RIP Jeff and watch down on all of us.

“ There would be long periods of time when I didn't see Jeff. But when we would meet up, he'd give me his big smile and say, "Hey I know you!" Then we'd follow up with a strong handshake and a hug. Sympathy and prayers for all his family.

“ I have know Jeff since my Flower Stall days when it was by your house and he would come over and visit us often. Then after I left work there, I did not see him for many years. After working at school cafeteria we were told of a special man coming to work with us. We had no idea who he was. It was Jeff and when he came in he had that scared look on his face. He then saw me and ran and gave me a big hug. I will never forget that moment! He sure was a very special person in my life! God bless him and your family!
