“ Mr. Krempp (Kenny) was a true gentleman and positive person. I remember always feeling a little special when he would come home and we were out (with John & Bill) playing basketball or riding mini bikes in the back lot, because he would always greet the "Schultheis boys" with a smile and take the time to say hello. I always thought it was neat that we shared the same first name. And who could forget him coming down the basement, while we were playing pool, to show us that Schimmel could count. lol A wonderful man for family, friends and community. I know he is in a better place, because our faith teaches us so.

To Kenwyn, Karen, Andy, John and Bill, enjoy the memories and be his most special legacy, along with your children and your children's children to come. Mrs. Krempp (Jane), may the love and laughs you shared, in time, cause the tears of separation to become smiles of joy.

God 's Peace and Blessings
