Oh Tina

I realize this is probably the silliest memory you will get but, it's when you came up to me at another person's viewing at this very same funeral home and you just said "vicki I looked up in the dictionary and pertnear is a real word! you used to give me such a hard time when we were kids saying that's not even a word "

Farewell dear cousin I know we should all have spent more time together while here in this world but look forward to remedying that in our next life GOD SPEED LOVE. Vicki and Cecil
