“ *Louise was a wonderful CRNA and was always there for her patients, hospital and community. Although retired several years ago, she will always be remembered for all the years and contributions made to our Anesthesia Dept and Memorial Hospital. “ *Lou was such a great friend and neighbor to my grandma Goldie Newman. Lou would drive Goldie to Bloomington to attend the opera together. They took good care of each other as next door neighbors. I also got to enjoy some rides in Lou's impeccably maintained Corvette. She invited me to join her in playing with the Dubois County Orchestra back in the early 80's. She was an accomplished French Horn player, and me- a bit of a squeaky oboist. But fun we did have on the rides to and from, as well as at rehearsal. Such a smart and kind woman. She will be remembered fondly.*

“ *I have known Anita Louise since she was a small girl, when she was still called Ana Lu. And in later years we renewed our friendship. When she could still drive she would come by and we would sit and talk and reminisce. My best friend, from grade school on was her first cousin and so I spent a lot of time up in that 'Herbig' complex. Prayers and sympathy to her many cousins. Will miss her. Carol Mehringer*

“ *Miss Jerger was one of the best CRNA at MHHCC. I worked with Lou for years. She always took excellent care of her patients. She said a prayer for every patient prior to general anesthesia. Lou was a true friend and coworker. Heaven has gained another angel.*
