“ *Adrienne was a wonderful friend. We went to nursing school together and shared some wonderful memories. My heart is shattered and my thoughts and prayers are with Bob and Adrienne's children and grandchildren. She helped me so much in nursing school and with juggling life with being a wife, mom, student, etc. She was a big support to me as my father passed away in the middle of our LPN program. I will never forget her!!! She is forever in my heart.*

“ *MY SWEET lady A.. and those beautiful eyes:
She will always go on go on in our hearts because when I think about the hard times that she helped me through in life and the hard times that I had as a new nurse , she was there guiding me. When I try to find a solution for an issue at work , in my head, I hear her voice. I hear her telling me what to do and I always will. She lives on in those that love her and that she loved.*
