“ I have so many childhood memories with this amazing man that I would never be able to name them all. He was loving and kind-hearted and treated me like his own. I remember every year when it snowed he would pack me up in that big red Ford 4 Wheel Drive and we would go play in the snow he'd always act like we were going to wreck in the ditch swerving to the right hand side I'd always laugh cuz I loved it. I don't think he ever missed taking us to see the Christmas lights at Christmas Lake Village it was something we did every year. In the summer I would always tag along with him to all the county fairs traveling to all the truck and tractor pulls it was great fun. He even painted a bedroom in his house purple for me when I was little because it was my favorite color. I remember Santa Claus coming to his house and he brought me a red Golden Eagle power Wheels Jeep best present ever. There's so many more memories and as I think of them tears poor down my face. I love you and will miss you Allen and will never forget you and all the wonderful memories and fun times. My daughter Justice told me today that she was going to miss Alan he was her buddy and she liked riding on the golf cart with him I told her that he's an angel now and I would miss him too. Rest in peace Alan

“ Great man and friend. Spent lots of time together at work and with the Otwell Sled. Great laughs and memories. Rest easy Bullfrog. Now you and Tinker have eternity to swap stories and opinions. Prayers for Kathy and the rest of the family. I am so sad to have to miss the service due to work travels.
