“ I am so sorry to hear of Bert's passing. Growing up at the restaurant, Bert was like a second mother to me. She always had a smile on her face and she would allow me to do things to help her out that made me like she needed my help, when really I was probably just in her way. I have very fond memories of my Mom and Dad's restaurant and Bert is a very big part of it and my childhood. God got a special lady!
