“ I remember our childhood and the fun we'd all have playing the old games like Red Rover, tag, duck duck goose, ring a rosie, chasing lightening bugs tearing off their light and put on ring finger and it would glow for a good while in the dark, and put them in jars and watch them blink in the jars.. and I also had the pleasure to work with her and Paul at G-n-T industries in Mansfield off of Longview Avenue. All good times .. truly a great loss for us as a family and as a sweet friend ..I loved her and this world lost another good person .. never forget the wonderful times

“ I originally met Kathy through my sister who worked with her. Later, we laughed at our "annual meeting" for several years during Grandparents'/Special Persons' Day at Dubois Elementary School. Although I hadn't seen her in a while, my thoughts and prayers were still with her as she fought a great fight. She will be missed. Prayers for Paul and the family.

“ *I was lucky enough to know Kathy the past six years. She was such an amazing mother, daughter, wife, grandmother and as a person. She was such a thoughtful woman that loved everyone no matter what. She was strong, stubborn and just plain amazing. God took her way to soon but now she is at peace and pain free. Can't wait to see her again one day. Love & Miss you kathy.*

“ *Kathy was a member of our G/T family for 37 years. We were blessed as she shared her many gifts with us. Always quick with a smile, willing to take on any task, help other employee's who were in need, and go the extra mile to make sure we did things right for our customers. Between Kathy and Paul they had nearly 80 years service with our company. She was one of only 3 employee's to win our "Spirit Award" twice over her career. We were deeply saddened at the news of her passing. On behalf of all our Employee/Owners we offer our sincere condolences to Paul, the children, and extended friends & family. Kathy will be missed.*
