“ To her husband and family members, I offer my deepest condolences, to you all, on the loss of a very special person, Alice. My life had several opportunities to share this world and life responsibilities with Alice, and it was a true honor to work with her in all those share work and life sharing opportunities. Alice's personal disposition was always one filled with personal qualities that brought life and honor to her work and to others. Alice gave us all the best she had to offer in life, in her professional skills, and in her dedicated work ethics. As she now moves into God's kingdom of heavenly life, we thank God for her presence with us all, and we ask that he bless her with a special place in his eternal kingdom of heaven.

“ Arnie,
Alice will be missed and remembered fondly for her twinkling eyes and ready smile. We lost touch over the years after high school but, then reconnected with the Girls' monthly luncheons later in life. I looked forward to visiting with her during those precious times.

I will keep you and your family in my thoughts and prayers during this time of loss and mourning.
