“ Marg was my support for attending college. Alice was the reason I attended Indiana State. I attended Don & Alice's wedding the summer going into my senior year in high school. The last time I saw Alice was sitting with her at the service of Lisa Latimer's calling and funeral service. The Downey, Hochgesang, and Ward families go back to the early 1920's. Elizabeth and I are in frequent contact. I will always remember Alice as "little Alice who worked at the Dairy Queen". My sincere sympathy and prayers go ot to all of Alice's children, grandchildren, and great grandchildren. Thank you for providing her such a full life.
