“ *Stenftenagel Family, My condolences on the death of your sister. I met Alicia when dad died in the nursing home. I visisted her the next Xmas I came home. Last year she had moved nursing homes so I did not get to see her but she was on my list for this year. I know she is in heaven with her mom and is looking down on you and praying she will meet you all in heaven. I know that is her wish because she told me that she prayed for all her family to go to heaven everyday!!!!!!!!!!*
