“ Our deepest sympathy to the entire Brescher family. There are rare individuals that only bring compliments when their name is mentioned. Allen Brescher was certainly one of those rare individuals! His unselfish cheerful service to others, through the organizations he supported, or on his own, is a memory we will always have, and is a legacy he has passed on to all of his children. What a proud accomplishment! We will always appreciate his smile and engagement in conversation, whenever or wherever we saw him. The great times at Beaver, on high school band trips, at the 4-H Fair...too numerous to mention. Sorry we couldn't be with you, but you all are in our thoughts and prayers.

“ Allen was a man who lived life as full as is possible. When I think of Allen, I think of his energy, joy, enthusiasm for living. He never met a job too hard to try, a situation that he wouldn't put energy into, a person whom he couldn't turn a frown upside down. He loved his Lord, family, life, community, and living. His greatest attribute is his legacy, his family, I see dedication , love, enthusiasm, joy, in his family and what more could a man hope for in this life. Allen Brescher will be missed , by us but welcomed home by his God who will certainly say "welcome home good and faithful servant." The spirit of Allen lives on,,, and we all benefit. Peace of God be with you all now and evermore. Bev and Charlie Mendel

“ To Allen's family...I want to express my deepest sympathy for your loss. I know you will miss him greatly as will I. When he had the soil service and I was a young salesman at WBDC Radio it was always my favorite stop when I called on Brescher's Soil Service in Ireland. We always had a good time and that was when I got to know all of you so well. Although distance will keep me from attending the funeral, know that Allen and all of you will be in my thoughts and prayers. Take care and God Bless, Sincerely Brent Wible, Hobe Sound, Florida.

“ *It is unreal to believe that Allen is now in Heaven. If he drove past our house and found us outside, he would always stop to talk to us. He was a nice and caring man who always had interesting stories to tell us. The Brescher family were so blessed to have him as a wonderful role model. We will miss Allen as he would say "oh heck", RIP in peace dear friend.....*

“ We extend our sympathy to Aline, family, and sister Shirley. Allen was a fun loving person and active in so many ways. He was always ready to help and always moving like the " Energizer Bunny". We are so glad he was "Mayor of Ireland" during the St. Patrick Celebration. We know "by golly" how much he will be missed. Our thoughts and prayers are with you all.
