“ *I worked with your Mother at AristOKraft in Jasper right after I graduated in 1978. She was one of my favorite people and she treated me like one of her kids. We went out to eat and she was a wonderful lady. She talked about her kids all of the time and especially her granddaughter Jodie. She was so proud of you. We exchanged birthday and Christmas cards and we kept in touch for several years. I talked to her at a restaurant in Jasper a few years ago and she still remembered me and she looked just like I remembered her looking when we worked together. I am so proud and happy that I knew your Mother and John. You have our sincere sympathy. Teresa Cockerham Walters, Petersburg, IN*
