“ So sorry to hear the sad news of Ann's passing. Both my wife (Karey Harrell Benedict) and I got to know Ann at Continental Office early in our careers. We certainly benefited from the example she set through her hard work and professionalism.

My condolences to the family.

“ Ann was a great lady & neighbor!! She was always waving at us & was always asking about my kids & what they were up to. In fact sometimes she would tell me funny stories about what my kids were doing in the front yard that I didn't know or couldn't see 🤔 She remembered their birthdays by giving them a card with some \$ in them.

I remember going on a few walks with Ann. One time we even talked about the show “The Bachelor”, which I was kind of surprised that she watched, but she told me she watched it because she knew one of the contestants 😊

I will miss seeing Ann out in the yard, or sitting on the front porch or patio. We were definitely blessed to have known Ann & heaven has gained one heck of an angel 😇
