“ To all my Wagner cousins, please accept my sympathy in the loss of your wonderful mom. I remember all the great family times at your home when you would have butcher days and my dad, Ralph, would help butcher hogs. The large black kettles over fire, all the women cooking for our families, all the wild kids ( me included), running around! Also, I loved to visit and help collect eggs at your chicken houses, and later, as we got older, dancing at large family weddings. What a full life your mom had! I also loved seeing her and my Aunt Donna Mehringer at the Schnitzelbank, when I would come along with my parents. You were so blessed to have such a large family!

Love and prayers to you all,

Kathy Schmitt Molloy and husband Tim

“ All the staff who worked on the unit Anna lived on lived her so much. She was such a fun, bubbly little character! From telling us stories on how to raise chickens to calling Donnie from her call light to tell Him we hadn't put her to bed soon enough!! So many sweet memories I will hold dear. God Bless your family.
