“ *I was sad to hear of Anne's passing. She was a fun loving soul and a tough lady. My fond memories are from many a Napa function in which we were often paired in golf groups. Our golf wasn't the best but the beer and laughter made it seem prize worthy. I know she will be missed by all who knew her.*

“ *Anne was a dear and lifelong friend. We had such fun in our younger years. She taught me about friendship and family. She so graciously shared her family with me. She taught me about traditions and the importance of having them. It is not Christmas unless we make Anne's sugar cookies. I made them last Christmas with my granddaughter in San Diego. So the tradition lives on. Thank you Anne for your many years of friendship. I love you and will miss you!*
