“ *Miss Fisher was a great 4th grade teacher.
May she rest in peace*

“ *Miss Fisher was my 4th grade teachers at 5th Street Elementary in 1976. I have many fond memories of her as I was growing up. She invited many of us over to her house to go sled riding one day. We made hot chocolate and played with her German shepherd. We created terrariums in her class during science. She also would make funny voices and tell jokes. I remember a classroom filled with lots of laughter and fun learning. Rest in peace, Miss Fisher...you were one of the best.*

“ Miss Fisher was a very special lady to me, my husband and daughter. She was the fourth grade teacher at 10th Street school when we returned from overseas as missionaries. Our daughter was, Lacy (Pinnick) Salsbury had problems of readjusting to living in the US and in an area that lacked much ethnicity at the time. Miss Fisher suggested she be held back the next year, but knowing that "Greater Jasper" looks down on doing that would not allow it. We went to bat for our daughter along with Miss Fisher and after a lot of fighting the school board and the leadership of the school, we were able to have her stay in the same class. Our only other request was that she remain in Miss Fisher's class. Again, she told the leadership she wanted that, too. Ann Fisher prayed for her kids everyday and loved them as her own. Yes, she was a tough teacher, but she was a very special lady and we loved her. Even after she went to the nursing home, our daughter, Lacy went to visit her when she would come to visit from Michigan. Miss Fisher will truly be missed by our family. Terry and Leah Pinnick
