“ Art and Rita Dall were two of the best people I ever knew. My husband, Don Adams, was the person who hired Art at North American Products and they absolutely made a great team over the years. As Don just said to me, Art was a very loyal employee and would do whatever was needed including traveling extensively. We are late in acknowledging his passing as I just happened to go onto Becher's website to look at the obituaries. Linda, we are so sorry for your loss but please know that your parents were just good, good people and that is how I will remember them!
