“ *I always enjoyed conversation with Arvin. He scared the hell out of me mostly:) Thus, i tried to stay on his good side!
As a youngster playing ball with Scott, Arvin got out there with us during practice and toughened us up. I can remember Lee Kavanaugh grinning ear to ear when Arvin would "post us up on the block" and typically he would knock one of us onto the bleachers at the old JFK gym!
God bless all of you and I'll keep Arvin in my prayers.*

“ *ran into Arvin at the Black Beam mid 1970s. I asked if it was true he had a bear. "Yes". I asked why he had a bear. He said "to train my dogs." I asked how he did that. He said "I let the bear loose and let him get a head start. Then my dogs track him and tree him. I climb the tree and throw the bear out. Once I let the bear get to heavy and he damn near threw me out." That is what he said...*
