“ *Sending love and hugs to all Audrey's family and friends. She held a special place in my heart, especially as she was going thru her treatments. Audrey always had a smile on her face as I walked thru to see if she needed anything. The day she finally asked for something, I told her I was going to write that down on my calendar! We both laughed. Thank you Audrey, for always sharing that smile, with everyone you came in contact with!*
