“ Peggy, my thoughts and prayers are with you and your family. Growing up with Barb and you were a big part of my childhood from playing Barbie’s, cooking in the dollhouse, swim days at Bunny’s pool, and trips to Florida. Barb always went out of her way to include me in your lives. How lucky I was to have such great neighbors! The kindness she gave my parents was appreciated-so compassionate and caring. I hope you find comfort in your memories and know how much her positive approach to life impacted so many.

“ *I've been one of Barbara's caregivers for the past year. I've known her and her family for over 40 years. She was one of the kindest, most gentle, prayerful, and positive women I have ever known. I sat with her every Tuesday and Friday afternoon. It was a joy for me. I will miss her greatly. Prayers for all of her family and caregivers. Rest in peace Barbara.*
