“ My heart goes out to you and the boys Bonnie, I loved my cousin very much, and even though we didn't see each other very often, he certainly will be missed. He had a big smile, and a big heart to go with it. I'm so sorry we could not make it there to be beside you, but our hearts and prayers are with you now.

All our love,
Carol, Bill & Carla

“ So sorry for your loss! Barry did a lot of work for me personally and my Company. He was always friendly and upbeat. We shared our love for the Ohio State Buckeyes when we talked. I know he will be missed by you and your family as well as Schmidt Contracting and the many friends that Barry did work for.

“ *My condolences to the entire Humbert and Bowlin families in your time of loss.
Farewell for now to my eating buddy, one of the few people who can pig out at the dinner table like me!
I'll always remember the get togethers in Ireland and everyone taking bets on who could eat the most! Lol*
