“ *To "Bernie's family and loved ones, I am so sorry for your loss. I know some will say that she was old and it was her time, but this is not the way God intended things to be. If you read the first three chapters on the book of Genesis you will see that God created Adam and Eve perfect. The only way they could die at any age was to eat of the special tree that belonged to God. They had everything they needed, but they disobeyed God and lost their home and their lives. In the Bible at Romans chapter 5, verse 12 says this: (New Catholic Bible)" Therefore, just as through one person sin entered the world,h and through sin, death, and thus death came to all, inasmuch as all sinned." So we all die, not because we get old, but because our forefather, Adam, passed ageing and death on to us. What God has done is offer us everlasting life. (see John 3:16). There is so much more to this than can be written here. If you will go to JW. ORG, there are explanations to all of this. I hope this helps. Steve*

With Sympathy to Marla, Scott and Dennis in the loss of your Mom and to Mariah and Hannah in the loss of your Grandma. Aunt Bernie was always thinking of others and like Judy said earlier, you never left her house without a gift of her homemade cooking. Visiting Jasper will never be the same without her. We will all cherish her memory. May she rest in peace. Love Lenore
