“ *To all of Bernice's loved ones...I have the fondest memories of this lady! The laughter, her voice, and the bear hugs were spectacular! Oh what a gift to have been in her presence! Bernice could brighten a mood instantly. How many times as a child, she would bend down and look into my eyes with her smile and a hug! We have much to learn from such a joyful spirit! Please accept my condolences. Rest in peace, Bernice.*

“ *To Bernice's family: I am so sorry for your loss. I got to know Bernice when I delivered meds to her from IGA. She was always so friendly and appreciative of my help when I dropped them off to her. May she rest in peace.*

“ *The stories you would tell could make a sailor blush, yet you were a true lady through and through. You made me feel part of this family from the moment we met. There will never be another like you. I love you Aunt Bernice.*
