“ *Beth was truly one of a kind. She always made me laugh, said what was needed said, and didn't back down. Her laughter will be missed, as well as her Beatles covers.*

“ My deepest sympathy to Beth's family. May your mom rest in peace with your beloved grandmother. Your mother was my classmate all through school. Your grandmother lived in my great grandma and grandpa's across the driveway from my grandpa and grandma. They were great neighbor's and friends. Heichelbech's was one of our favorite places to eat and also enjoy meeting friends in the bar with Uncle Rodney. My heart is broken.

“ My condolences to the family! I'm at a loss for words! Such a wonderful person to say the least. We had so many great moments growing up! Playing cards, sitting beside one another in home room thru High School, Going to Prom as friends. Time and distance got between us over the years! May Beth rest in peace. !

“ Art and Carol Martin,  
Our sincere condolences to the family and friends of Beth. We moved here 20+ years ago and met Beth thru her cousin, The Late Kerry Heichelbech. Art drove over the road and her favorite thing to call him was that stupid dumb mother trucker. We always had a great laugh about it. Will miss her catering was great food! She became a good friend and seen her at several family events due to her cousin Kerry was married to my sister, Susie. Will miss that funny smirk she always gave! Rest easy now Beth, and say Hello to Kerry and Larry. ❤️

“ I am so sorry for your loss of Beth. Beth and I took piano lessons together at the Kimball Music Center in Jasper when we were probably around 10 years old. She was also a classmate of mine. My prayers are with her and all of you who will miss her greatly!
