“ *To the family of Betty J. Drexler,
Betty was a dear friend! We taught together for many years at the
Huntingburg and
Holland Schools. Betty helped bring the May Day Programs to life
with the art work her students and her designed, colored/painted
and placed on the walls of the school gymnasium. Amy
Bauernfriend, Jim Kelley, Larry Doll and Betty spent many hours
putting the May Day Programs together which brought the four of us
close as friends.
I shall never forget the times we had together! God bless!*
