“ *Dear Judy, Sharon and Susan, My heart of loving support and prayers go to you in the passing of your mom. I know your hearts are breaking and you miss her terribly. No one can replace a Mom. You and I have been so blessed to have a wonderful Mom, who became our good friend. Your mom's presence was so huge in your lives too - whether it be when you were with her, or a letter or a phone call. It'll be hard to realize that she will not be coming thro the door again, with her beautiful smile and contagious laugh. I still can't believe it, because she was so healthy and strong the last time we saw her. I didn't know it would be the last time, when we had the reunion at Colleen's. I'm so glad you planned that Sharon. I'm sorry i made the busyness of my life keep us from having one last summer. But, glory to God, we will see her again - we still walk by faith, but she is walking by sight, now, being w/ Jesus and looking at His face - Thankyou so much for sending her memorial service CD and DVD - it was a beautiful tribute to her and a blessing to hear the assurance that you all shared of your strong faith and trust in our Lord. Ps 35:18 - "The Lord is close to the brokenhearted:he rescues those whose spirits are crushed." We're grieving with you and grieve whatever way you feel - let the tears roll - Pray you sense Jesus' comfort and closeness to you in the months and years ahead. Hope to talk to you and see you soon, w/ tears, love and prayers, connie and dan*

“ *Judy, Sharon, and Sue,
In loving memory of Aunt Betty's devotion to her Saviour, her love and pride of accomplishment in all of you and your lives, her loyalty as a lifetime friend to my Mom, and her sharp witt and unending humour. What an accomplished life! How fortunate we were to have been a part of it. We're envious of the reunion going on in Heaven at this very moment.
Thinking of you all.
