“ *Beulah was my Aunt Bee. I loved her dearly as a child and loved my family's visits to her home, out in the country. I loved and respected her more as an adult. She was the most honest and kind person that I have known. She was like a mother to me, especially after mine died. She was married to my Uncle Hugh, how I came to have such a beautiful aunt.*

I miss her so, but I know how much she loved her son and family, who she is with again. Such a beautiful soul, rest in peace, in God's grace and love.

“ My sympathies to all the family of Bee. I was able to visit with her a couple weeks before she passed and I told her that she was the kindest person I have ever known. All of us at Krempp Lumber and Krempp Construction would have agreed on this. She was our secretary and bookkeeper until the adding machines and typewriters became a thing of the past. She was such a tremendous person and tremendous employee and always a friend.

Debbie, are you the one with the shorter dark hair? Aunt B loved shopping there so much and loved the employees that she came to know. You meant a lot to her.

“ My deepest sympathy to all the young people of the family. The end of a generation is very sad and this lady was one of a kind.
