“ *It is so difficult to read of Bake's passing. He was a true gentleman and craftsman. He took pride in his work - he was among the very best in his craft. He was the nicest person anyone could hope to be - a true role model for your children.*

We remember when the two of you came to visit us in Pittsburgh. Being new to the city, it was exciting to have the company of such wonderful friends. Words cannot express the sorrow we feel.

*With love,
Joe & Rosemarie Shirk (Pittsburgh, PA)*
