“ *I had the pleasure of being one of the many kids Bonnie cared for over the years, and I've always looked back on those years as some of my greatest memories. Bonnie had such a positive influence on my life that I was ecstatic when she accepted the invitation to attend my wedding! The world lost a beautiful lady, and she will be greatly missed. I will cherish my memories of her even more now.*

“ Bonnie was such a special lady She would always take time to talk and listen and sometimes even offer advice which was appreciated As a parent, I knew my children were always in good hands with her They loved Bonnie and loved going to her house. She went above and beyond to accommodate both parents and children As adults the kids still share fond memories of this special lady and how she had a positive influence on their lives Rest In Peace Bonnie You will be missed and always cherished

My fond memories of Bonnie were as a caring and thoughtful neighbor to our mother and father. After our father passed Bonnie checked on our mother and always had time to talk with her. We were blessed to know her. Judy Klem Gosman
