“ I worked in the same building as Brad and just want to say what a nice person he was. He was a good person and I can't imagine as a mother loosing a son or as a wife loosing my husband. My sympathy to your whole family. I told him once what a pretty car he had and his face lit up and said thanks. From then on he always said hi. Again my smypathy to you all.

“ I am so sorry for your loss and will keep the family in my prayers. I did know Brad but work in the same building. Such an early entry into eternal life must be very difficult for those left behind. I will keep you all in my prayers.
