“ *I have known your mother since elementary school when she was in my class when I student taught at Tenth Street School. Then, I knew her as a high school student. She was quite a happy joker. I knew Amber as a preschooler and then happily surprised to meet Brenda again when she worked at St. Charles. She was always smiling and full of fun. I am sure she will be missed by all her family and friends. My prayers are with you.*

“ *Brenda will be greatly missed. I know that you are still here and that you are watching over our son. We have had our ups and our downs but we had our good times. You were the mother of my son and for giving me the sweetest gift of my lifetime you are forever in my heart. Rest in peace Brenda.*
