“*Aside from my wife, Brenda Wyatt was the kindest and most thoughtful woman I've ever known. She was as beautiful on the inside as she was on the outside, It was always apparent to everyone she met that our Savior was in her heart and she was living her life the way Christ would want all of us to live. She and her husband, Bud, and son, Tom, would meet me and my wife at Denny's in Oakland City on Saturday mornings for breakfast and it became something we looked forward. My wife, Janet, and Brenda always found pleasant things to talk about while I was being entertained by Bud and Tom. Bud and Tom were like Laurel & Hardy and gave me some of the best belly laughs one could ever have. Janet & Brenda would eventually stop their conversations and listen to our foolishness. Both women had terrific laughs and it wasn't long before we were all involved in the funny, embellished stories we three guys were making-up. When Bud would turn to Brenda for confirmation or additional help on a story, Brenda would just go along with the craziness like it was actually true. Brenda, having a medical background, was my walking Medical Dictionary since she would explain any questions I had relating to my personal medical issues. She would always tell me she'd pray for me and give me the best hug and smooch a friend could give when we were ready to come back to Evansville. I always felt better after I'd been with Brenda and her wonderful family!*

*God seems to take the best one's way too soon and He certainly did in this case. She's an Angel now with our Lord, Bud, all her family who preceded her. That's not an embellishment, that's a fact.*

*I would be remiss if I didn't thank Tom Wyatt for all the care, dedication, and love he has given to his mom and dad. No parent could ever have a better son than Tom Wyatt. I'll miss my longtime friend, Brenda Wyatt, and will look forward to seeing her in Heaven some day.*
