“ *I was blessed to have had Brice in 4th grade. Anytime this sweet young man walked into the room, you couldn't help but smile. He was just that sweet! It was rare to see him without a grin on his face and a twinkle in his eye. He had a never-give-up attitude and a rare gift of getting along with everyone (not easy for a 4th grader!) . He never said "I don't get it," or "I can't." He just tried that much harder! I will never forget this sweet boy. He will forever have a piece of my heart!! I am truly blessed to have had him in my life.*

“ I had the wonderful privilege of having this caring young man last year in 5th Grade at Winslow Elementary and we both moved up to 6th Grade this year at Pike Central Middle School. Brice was a wonderful young man who could melt your worst day away with his grin and greeting when he entered and again when he left school for the evening. He was a favorite among his fellow students. A model student with a big heart. I am praying for the family, his classmates, as well as the Bailey family. Brice will always be a pleasant memory to all who knew him. Heaven gained a precious angel!

“ I also had the privilege of having Brice as a student for a short time. He was the sweetest young man and worked so hard. This picture captures his kind personality - Always smiling. My heart goes out to his family. This is such a loss to this world. He will be remembered so fondly by all of us who had the privilege of knowing him. May God be with you during this most difficult time.

“ I had Brice as a student this year in my science class. He was such a joy to teach. His contagious smile was so uplifting to all around him. He was a good student; conscience about his grades and labs and he had an exceptional work ethic. Brice made friends easily and was a good friend to all he met. He was a wonderful young man. I am glad to have had the privilege to know him during his short time on earth. He will forever be in my heart and missed by all whose lives he touched.

“ Brice was our step-great grandchild, since they moved to Ind when he was quite young, we didn't really get to see him. But when the news of this came it is all I can think of day & night. Brice grew up to be such a handsome, sweet young man & only God knows why he was taken from us so young. We are sending our love & prayers to all the family of both children.
