“ *My dear Soul Sister is gone. I can hardly believe that. I will never forget her laugh.... her laugh was full of joy! It breaks my heart to have to say goodbye to her now- it is far too soon for that. I'm sorry I won't be able to deliver my sincerest sympathy to David, Scott, Nena, & the boys in person. Please know I loved Bridget dearly and you are in my prayers for peace.*

“ Bridget,
My heart is broken that you are gone.
You had the most unique personality that lit up the world.
You didn't just live life.....you sparkled!
I will miss you a lot. I imagine you sitting on a cloud up there looking
down on us in the Health Pointe pool encouraging us to twist and
twirl just like you showed us so well.
Keep guiding us until the rest of us show up.
So long for now, Bridget. It was a privilege to know you.

Bridget - you were so funny and kind. We didn't get to talk much, but when we did it was always a great time. I can't imagine what life will be like without you here. You will be missed by so many.

I did not get a chance to know you very well since we did not live in close proximity, but what I do know is that you were dedicated to your job and the people you served in your time at IPMG. I feel for your family, friends, and the people you served. Rest easy.

Bridget, so many individuals and providers had such positive things to say about you any time I would ask. I always appreciated you coming to Shoneys in Jasper to make sure I was not sitting at Office Hours alone. Perhaps I need to stop by there tomorrow and have a slice of pie for you. You will be missed. - Dana
