“ *Unfortunately, the opportunity I had to get to know Bruce and his family was while he was a patient here at IU University Medical Center. I knew him to be pleasant, eager, hopeful, strong, caring (I got to see him with Kinley, who absolutely adored her grandfather), forward thinking, hard working, and loving to his wife and children. This guy was the best patient! Never surly, never down on his luck, even when he had good reason to be both.*

*The last time I saw Bruce, he gave me a peck on the cheek and told me he would see me Thursday (last week). That day never came.*

*I'm so sorry for your loss. He left shoes too big to fill. He left a family who held him up high and suffered with him as he worked through the physical issues.*

*I can't believe he is gone.*

*This guy is one I'll never forget. And a family equally unforgettable. What a grand legacy he leaves behind.*

*I'll send my prayers to you, for peace, healing, and comfort in this sad time for you all.*

“ Sending our thoughts and prayers to all of you! Bruce was a great guy, neighbor, and former co-worker. He was an all around good person and always stopped to talk when we ran into each other. Gonna miss waving to him as we cruise down the river.
