Thinking of Carla makes me smile... I picked a green candle in memory of her serving in the Girl Scouts. Godspeed to Nicole and family.

“ Wow this was a shock to see but you will be missed Carla. When I first talked to you on the phone at Jasper Engines I thought you were mean and it didn't take me long to realize that you just wanted me to do my job right and the way you wanted it done, but we became friends fast and you helped me so much and taught me so much. You were such a blessing to me and I will never forget you. May God bless your family and may they know that they are in my thoughts and prayers at this difficult time. God bless.

Carla, my high school friend. How many evenings did many of us spend on your porch pondering the problems of our teenage years? And our double dates? And just many many laughs. You were special!
