“ *To the family of Carol: I am so sorry to hear of Carol's passing. She was my second cousin. Her mother was a twin to Georgia, my grandmother. Carol was a very kind & caring person to all at Northwood when I worked there with her. She was just a wonderful person at heart. I have her senior picture from High School. She was just lovely. My condolences go to Eddy and the family for such a great loss. She will be sadly missed.*

“ I worked with Carol. She always had a smile for everyone. Carol touched the lives of everyone from the Residents to their families to all of us. She was kind and considerate. I remember when she was diagnosed with Cancer. I gave her a prayer and promised her I would pray for her every day. I have done that. I sent her cards and she wrote me once. I think God needs Angels too. I'm so glad I was able to meet some of you. It is no surprise to me how you are like her. She was proud of you and loved you very much. Take care.
Sincerely, Mary
