“ Mrs. Caudill , Took care of a Very Badly Burned toddler in and around 1964 at River View hospital , I stopped by a yard sale at her house in the early 2000's .As we started to talk she asked me my name, at which point I found out by her re-counting the story of her being a nurse , that I was that Toddler ! She had remembered me through out all those years and all those people she had helped. I was so grateful for her to share that with me and what she did for me as a child. My condolences to the Caudill family , so sorry for your loss. Eddie Worthman
