“ Carolyn and I became friends after we met when she brought the student lunches up to Cuzco school where I was teaching so many years ago. We would talk about my kids who were much younger than hers. Darlene even babysat for me several times. I watched her suffer thru the pain of losing her son and daughter. She was always such a kind and caring woman. Rest In Peace dear friend 🙏

“ Carolyn and Ed have been friends for many years, and we have shared good times together. She was truly a good woman and fun to be with. The loss of her husband and 2 children early in her life never changed the her faith or love for life. She was truly blessed to have Ed as a friend and constant companion for many years. His devotion to her never ceased and was shown by his frequent visits to the nursing home even when she didn't know him. Rest in peace Carolyn.....you deserve it.
