“ *So sorry for your loss. Deepest sympathy to Pat, Gayle and Jeff. Pat--I have many fond memories of your Dad. I always enjoyed riding the 2-wheeled motor bike(gold colored with a big flower sticker on front), that your Dad liked to tinker with. I also remember that he gave the best back rubs. Many times I slept over at your house and your dad would give us back rubs before bed. Your mom&dad were always very generous. They funded are trips to Burger Chef, 3D, the swimming pool, and most importantly to DQ to get cherry cokes! They certainly created fond childhood memories that I will never forget. Thank you for sharing your mom&dad with me.*

“ *My sister, Mary Beth Smart, & I are Rosetta Eichmiller Klein's daughters . One summer afternoon a few years ago (or more), we met Charles at the Haysville park close to the mill for some family history time. He shared copies of letters from family in Germany to our grandfather, George Eichmiller. Charles was quite the historian and we appreciate his sharing so much with cousins he really only knew by name. So now he is with George and all the family that has preceded him. . . May he rest in peace. Martha Sue Klein Wessel*
