“ I will always remember, always , taking the jeep out late summer to check the fields and driving up to Charlie and Rose's. When we got there they were working up sweet corn...it was a great trade sweet corn (freshly blanched) for a cold drink and some good conversation.

I will miss Charlie calling every summer to see if we could help at the Street Fest grilling station. This was what made the Fest special to me, this group of great people working together and having fun.

I will keep these memories of Charlie and others close to heart forever.
