“ Charlie was a friend of our grandparents, Vic and Marie Kuper. My mom Linda adored him and it meant the world to her that he came to my grandma's funeral a couple of years ago. Prayers to you and your family from the Kristoff girls! Sincerely, Kim and Kelly Kristoff

“ Charlie was my cousin, although I called him “Uncle Charlie” when I was young! He will forever be remembered as a kind man and friend as well as relative to my family. My father Vic loved him and so did my mom Marie and he was always there for our family. We will miss him but happy he is at peace and probably playing cards with Dora and Eddie! With love and sympathy to Don, Joan, Mary and all of the family. Dave and Linda Kuper Kristoff

“ Thoughts and prayers to all of Chill's family. I will certainly miss him. I have lots of memories as well, one of my favorites was when Chill and his friends, Jug and John came to Naples Florida to visit me, what a great time we had. Loved his smile and always a good laugh coming from him. Although I have been gone many years we always kept in contact even though he hated talking on the phone! Rest in Peace Chill.

“ CHILL...I always loved your great "off the cuff" humor, whether it would be at the K. of C., post office, or out at eateries. Your keen wit and funny stories will never be forgotten! Rest in Peace, my friend!

“ Without my uncle Chill, I would not have become who I am today. His Easter gift to us of a beautiful white rabbit when I was 5 years old started my love for animals and is what led me to becoming a veterinarian. I will never forget his great sense of humor that was always on display, which taught me how to take a joke and laugh at myself.. I'm sure that he already has all of the souls in Heaven laughing with him! ..... Donna Habig-Sachleben, aka "Dutch" as Chill liked to call me.

“ Some of my favorite memories of Uncle Chill...long walks with Duke and a rolled up newspaper, searching for the lucky penny in the pavement, rides through puddles in the bed of the old white pick up truck, the Big Red vending machine at the glove factory, bubble gum cigars on the patio, and the two of us beating my dad and brother at golf every year. Hoop de Doo, by God, you will be missed! -Bryan Ryder
