“ *Though I was not able to grow up in the same area as he.....our paths did cross a few times through the years.....when I was a little girl I thought he was handsome, when I was grown I saw he lived by the beat of his own drum.....something I related to, now that he has gone I only wish I had more memories of him. I loved my cousin Charlie and I am saddened by his untimely death. Condolences to his family.....*

I will miss Charlie when I visit my Indiana family. We shared a love of the outdoors and swapping hunting and fishing stories with him was always something I looked forward to. Rest in peace, cousin, you will be sorely missed. You were one of a kind and will always have a place in my heart.

For almost a quarter Century, Charlie was a part of my life. He was always, Johnny on the spot when needed. A cornerstone of those families that were associated with him. A Major characterization of a man, willing to give of himself for the better of all concerned. A Player in family events and gatherings so as to add involvement for all participating. Prayers and condolences go out to all concerned. He was,,,,,Loved.
