“ *My sympathy to the Charles Schneider Family. He gave me a job in 1979 doing construction work on turkey houses. Times were very bad then, and jobs hard to come by. The job kept us from going under, and I appreciated it, and have always been thankful.*

“ *Charlie was a great classmate and friend. I will never forget the night at our last reunion where he was sitting by himself and we asked him to join our table which he did. I loved hearing him tell about the renovation of the West Baden Springs hotel where he led the tuck pointing part of the project at the request of Mr. Bill Cook. I am sure the final project turned out the way it did because of his effort. He will be missed by all of us in the class of 1958. His smile and good humor was felt by so many.
