“ Charlie was always so kind. I got use to looking for him at Home Depot with his bestie Angel. Angel always rode around in the cart while he was on his scooter. I'm so sad to hear of his passing. He made my day more joyful with his smile and obvious love for Angel. He always made an effort to find me in the appliance department and talk while I gave Angel lots of pets. Her tail wagged the whole time. He never left without a big hug and a smile on his face. My condolences to his family, including Angel. ❤️🙏

“ I didn't know Charles, but I had a teacher Robert Wineinger, at English Sterling High School from 1959 to 1963. Don't know if this is the Bob that was his brother. I really admired Robert as a teacher.
