“ Words can not express the kind of man Cletus was. He was giving, kind, funny, and always there when you needed him. I know heaven gained another beautiful soul and right now their probably all gathered around the new kid on the block, all drawn to his funny laugh and inviting heart, thinking to themselves, we sure did get a good one. Until we meet again up there buddy, and we all know your looking down on your mom and I hope that eases her pain. Wish I could have made the funeral. Lots of love.

“ He may be gone physically but he will always remain in our memories...from the silly little boy with a tail to the silly adult he became. Never seen him without a smile and that smile is what I will remember. Love you all.

“ My prayer for comfort and peace for you: Comforting God, You have promised that you are near to the broken-hearted. We ask that Berta and her family might sense your peaceful presence with them in these days and weeks ahead. May they find comfort as they remember the happy memories they shared with their son. May they find comfort and glimmers of hope even as they look to the future. May they sense your arms of love holding them. Amen
