“ She and I got Diamond (our blue pit) from a neighbor. We were dog sitting while Haley had her baby. At first the puppy just ran all over our apartment. She ran for the first day. Now we suspected then that she had been in her cage 23 ,24 hours a day. We walked her bought her treats and loved her. By the second day we loved her. We offered to buy diamond from the owners of her. I told them she was wild and had bad habits but to help them out id reluctantly give 50\$ with the kennel and food included. Truth be told Christy and I would have paid 500 for her. We got her for 50 tho. Now Christy and I were going through a rough spot of addiction and could not get it together. The dog we rescued ended up returning the favor and saved us right back. Christy Besaw I m sorry and I love you. I'm not sorry that I was there when you passed,cause I wasn't. I'm sorry I was not a great enough guy that you'd wanted me home and that you would be here with me if I was stronger against our addictions and i could have led us into the light like our pup diamond did. I miss you so much and I love you still. Gbye my baby the heavens and I both weeped this day.
